EARTH  
& RAIN  
WELLNESS & SPA

At Earth & Rain Spa of Neptune Pwani Beach Resort, we draw you on Earth's essential elements to create sanctuaries, a place where your senses of balance will be nurtured and rediscovered.

The rain's transformative powers are undeniable. Rainfall brings growth, vitality and rejuvenation. In many cultures, Rain dance rituals are performed in hopes of bringing a shower from the sky to nourish all living things and cleanse the Earth.

Building on these principles, Earth & Rain Spa at Neptune Pwani Beach Resort offers its clients a transformative experience that washes away stress and refreshes the soul with elements of wellbeing and balance.

Our luxurious Spa retreat includes world class Top to Toe treatments using the award winning Natural product line Healing Earth.
